<p><b>ATTENDANCE POLICY &amp; TIME COMMITMENT:</b> Since Coro's learning methodology is experiential and cohort-driven, missing sessions is disruptive to everyone's learning including your own. We recognize that unanticipated scheduling conflicts can and do arise. Therefore, <b>Coro allows up to a four (4) absences.</b> If a participant accrues more than the allowed number of absences, they may be asked to withdraw from the program. The Opening Leadership Retreat lays the foundation for the program and the cohort's development. Due to the significant amount of content covered, <b>attendance at the entire Opening Leadership Retreat is mandatory.</b> Based on past program participant feedback, it is best to consider programming as an extension of your professional responsibilities and to place calendar holds for all program session dates and times at the time of applying and to begin speaking with your employer(s). Participants can expect about 10 hours of additional time spent outside of scheduled sessions across the 9 months on Issue Day team planning and nominal pre- or post-program session assignments. <b>If any applicant has significant scheduling conflicts for the program dates, they should speak with the program facilitator prior to applying to determine if accommodations can be made.</b></p>		
<p><b>COVID-19 PROTOCOL:</b> Coro is committed to ensuring the public health of our participants and community; all Lead LA participants will need to review and acknowledge via signature the COVID-19 Guidelines of Conduct for Participants, COVID-19 Waiver of Liability, and COVID-19 Vaccination Policy. In case the County of Los Angeles Department of Public Health or relevant public health agency provides guidance or rules that limit the ability of in-person programming due to COVID-19, Coro is prepared to continue the program virtually. In this event, the session dates and times will remain the same and the program facilitator will communicate adjustments to the schedule. Virtual Opening Leadership Retreat sessions will still occur within the dates and times provided above. Lead LA participants should be prepared to move between the in-person and virtual modes throughout the duration of the program and commit to the obligations for both sequences. In the event of virtual delivery, participants will need access to Zoom, GSuite, and a stable internet connection. If virtual delivery becomes necessary and these latter requirements pose any issues, please contact Coro so that we can make suitable arrangements to ensure your successful participation.</p>		
<p><i>This calendar is subject to change prior to the start of and during the course of the program. Participants will be notified if changes are made.</i></p>
