ATTENDANCE POLICY & TIME COMMITMENT: Since Coro's learning methodology is experiential and cohort-driven, missing sessions is both disruptive to your learning as well as the other program participants'. We recognize that unanticipated scheduling conflicts can and do arise. Therefore, **Coro allows up to a total of two (2) program day absences.** Due to the significant amount of content covered and the foundation laying for the program and cohort's development, **attendance is strongly recommended for both Leadership Forum 1 and 2.** If any applicant has significant scheduling conflicts for the program dates, they should speak with Coro prior to applying. If a participant accrues more than the allowed number of program day absences, they may be asked to leave the program. Based on past program participant feedback, it is best to consider programming as an extension of your professional responsibilities and to place calendar holds for all program session dates and times at the time of applying.

This calendar is subject to change prior to the start of and during the course of the program. Participants will be notified if changes are made.
