ATTENDANCE POLICY & TIME COMMITMENT: Since Coro's learning methodology is experiential and cohort-driven, missing sessions is both disruptive to your learning as well as the other program participants'. We recognize that unanticipated scheduling conflicts can and do arise. Therefore, ***Coro allows up to a total of two (2) program day absences.*** Due to the significant amount of content covered and the foundation laying for the program and cohort's development, ***attendance at Session 1 is mandatory***. If any applicant has significant scheduling conflicts for the program dates, they should speak with the program facilitator prior to applying to determine if accommodations can be made. If a participant accrues more than the allowed number of program day absences, they may be asked to leave the program. Based on past program participant feedback, it is best to consider programming as an extension of your professional responsibilities and to place calendar holds for all program session dates and times at the time of applying. Some sessions include a Leadership Journey Networking Dinner. These dinners ***are not*** optional as they are part of the overall program. ***Participants can expect about 5-10 hours of additional time spent outside of scheduled sessions on the 360 assessment, executive coaching, and other minimal program-related work.***

COVID-19 POLICIES & VIRTUAL MODE: ELN is an in-person program. Coro is committed to ensuring the public health of our participants and community; all ELN participants will need to acknowledge understanding of and agreement to the COVID-19 Guidelines of Conduct for Participants, COVID-19 Waiver of Liability, and COVID-19 Vaccination Policy and certify that they are fully vaccinated for COVID-19 per CDC guidelines. In case the County of Los Angeles Department of Public Health or relevant public health department/agency provides public health guidance or rules that limit the ability of in person programming due to the continued impacts of the COVID-19 pandemic, the program will switch to fully virtual delivery. In this event, the session dates and times willl remain the same and the program facilitator willl communicate adjustments to the schedule. Participants will be given notice as well in advance as able. **ELN participants should be prepared to move between the in-person and virtual modes throughout the duration of the program and commit to the obligations for both sequences.** Participants will need access to Zoom, GSuite, and a stable internet connection.

This calendar is subject to change prior to the start of and during the course of the program. Participants will be notified if changes are made.   *August 28, 2023*
